

# Open day

Saturday 1<sup>st</sup> September from 10:00 till 16:00

Doddington Lake, Post Code CW5 7PU

(between Nantwich and Bridgemere on the A51)

Have you ever thought what it might be like just to use the wind to push you across the water? This is your chance to come to a local sailing club and see what we have to offer. There will be different types of boats to suit all needs and plenty of expert help.

If you are new to sailing, we have larger boats for 2, 3 or 4 people so that you can sail with a competent crew and see what it is like to sail. If you are experienced or have sailed before we have Pico's for the children, Laser Radials and Laser 1's for the more adventurous and GP14's for the family.

There are also many other types of boat at the club but if it is racing that you like, we have a Laser Fleet, Fast Handicap (mainly Solo's) GP14's and Slow handicap (mainly Topper's Comet's and Mirrors) so there is a fleet for all kinds of boat and even wind surfers.

The club house has all the normal convenience's including Men's & Ladies changing rooms with showers, galley for tea coffee and soft drinks plus a cooker for those who want to eat hot food and a gas fired Bar B Que.

We are a fully accredited RYA Training Venue for both Sailing and Power Boats (PB2) and also run many other courses such as First Aid, VHF Radio, Day Skipper, Start racing etc..

Refreshments will be available from our galley.

See our Web site at <http://www.nantwicksail.com>
